Subject: HOPE - Social orgainsation by youths for Rural India

Mr. Kutty

I request you to please spare ten minutes to go through attached report on our proposal.

Sir It is always in our mind to do something for Rural India. Sir Financial Condition of India is improving, GDP is booming up, Lot of Industrial development.

Sir but our concern more about Rural India.....there situation is not what we are looking in cities.

So Sir We as a team of some young Indians started social organisation HOPE - HELP OUR PEOPLE for EDUCATION.

Sir if you really feel that what we are doing is wirth then please motivate HOPE team.

Waiting for your positive reply

Thanks and regards
